**June Meeting Minutes (6/10/2020)**

The June meeting was called to order at the Field on 6/10/2020 by our President. Club has re-opened for flying with observance of coronavirus rules.

**Roll Call** – Doug Sanders made the roll call. There were 7 members present, we have 28 members total so far.

**Treasurers Report** - Our Treasurer, Jim Benedict, presented the treasurers report. He gave the report for the last 3 months. There was a motion to approve.

Motion to approve.

**Secretary's report** – None, no report since Field closing.

**Safety report** – None

**Field report** – They dumped bricks in the levy, according to Bill McMenemy. We were spared from the effects of the hurricane. Thankfully, it went around us. Field looks green and Frank Eck has been maintaining it. Frank partially rolled the field where he could.

**Old business** – No new information from the FAA. Still just a proposed rule for drone tracking, it's not a rule yet. AMA has been querying the FAA to make sure they don't kill flying for everyone. FAA believes remote ID technologies will enhance safety and security by allowing the FAA, law enforcement, and Federal security agencies to identify drones flying in their jurisdiction

**New Business** – Prez is building a house in Wentzville. He will still be flying here. He talked about putting out an email to let people know that our Club is still in the flying business. He said that it should go out to non-members as this will get them so that them a chance to rejoin if they like.

Bill said the Spirits never closed due to Covid-19. It was mentioned that other fields have been opened.

**50/50** – Doug Sanders
