Meeting Schedule

Meeting Dates: Apr 14, May, 12, Jun 9, Jul 14, Aug 11, Sep 8, Oct 13, Nov 10, Dec TBD

Meeting Time: 7:pm

Meeting Location: By Zoom

Meeting Minutes

January Meeting Minutes 3/10/2021

Meeting was called to order by President Richard Jenkins.

Roll Call – Doug Sanders made the roll call. There were 7 members present via Zoom call. 30 members have joined so far this year. Contact List was published Mar 5th. Michael Lindsey joined since the contact list was sent out. Rich Barnett joined the Zoom meeting for the first time. Doug reported that he has up-dated the roster on the AMA web site.

Treasurers Report – Hawkeye gave the treasurer's report. Club dues were deposited. Items paid were Zoom charges, postage to mail club records and EMC insurance. EMC was notified to remove Paul Trendley's name on the policy and to put Richard's name on. Hawkeye reported he has not enrolled in on-line banking to look at the bank statement on-line. As of now he will not be using the ATM debit card.

Secretary's report – Approved.

Safety report – none

Field report – Bill reported the gate lock was changed somehow. The new combination is now 0631, Jerry Hallrah has been notified, Bill will notify the Port-a-Potty company. Frank Eck rolled the field Monday. Hawkeye mentioned that a member had asked him if he could bring a Class C trailer to the field with his airplanes. Consensus was that the trailer would be too big to bring to the field. Hawkeye will notify the person that the club did not approve his request.

Old business – Richard mentioned someone would have to get the gifts cards from the Hobby Shop once we start meeting at the field or the Hobby Shop. Hawkeye will meet with Darren to buy the gift cards once we need the cards. Members agreed to continue with the gift cards.

New Business - Richard reported the implementation of the final FAA ruling was delayed by one month, which would not affect most of us. (sometime in mid 2022) We still have to register with the FAA and put our FAA and AMA numbers on the outside of all of our airplanes that we fly at the field.

Show and Tell – Bob Hunsel showed his display of RC items he has collected over the years since he was a teenager. Amazing collection. Great job of presenting your collection.

Newsletter Editor Note – have made (4) MP4 short slide shows of pictures with text of Bob's presentation, and will send them by separate e-mails. After downsizing the pictures and adding text, I had to limit under 20MB for each e-mail. (May take a few seconds to load each)

(pictures on the slide shows below)

- 1 Bob's display cases – collected in the 1990's
- 2 Cox .049 Engine New
