Treasurers Report – Hawkeye gave the treasurer's report. The field rental for this year has been paid. Hawkeye purchased seven \$20 gift cards from Mark Twain Hobby Center for attendance prizes at the monthly meetings for the rest of the year. Also, he purchased tickets for the 50 50 drawing the attendance prizes.

Secretary's report – Approved.

Field report – Frank Eck wanted to let the club to know the tentative mowing schedule for the field would be on Thursdays. Currently the field has a lot of clover. The road does not need any gravel for now. Frank wanted to know if the club wanted to have the PVC poles put up again this year, we can discuss this more after the corn gets taller. Poles would be to help locate downed airplanes. Corn has been planted on South end of our flying field. Don't know where else corn will be planted. He said Jerry would not object to having some re-bar posts. Frank said he has replaced the cones on three corners of the field.

He has two Italian OPS glow engines (30cc), one appears to be in good running condition and the other one is missing some parts. He also has a number of large propellers (20inch).
