Field Report --- Frank gave report on Art's Lawn Mower Shop from last year's 23-point service they made and asked for suggestions for this year. Listed most of the things they did last year. Ask for

anyone who has a trailer to take our mower to them. Mower has a tire with a slow leak, Frank said he would try to get that fixed, if not Art's could fix it. Members agreed to have Art's to go ahead and do the necessary maintenance for this year.

Weeds on the South side of the field have been knocked down with our mower. Weeds on the West side are still there, ditch is too deep for our mower to go over.

Mowing is now down to once a week or as needed.

Safety report – One member had an accident involving a propeller. Frank tried to open the First Aid box which took a lot of time. So he took the lock off and replaced the lock with a pin, so the box could be opened quickly. Stitches were required by Urgent Care in St Peters. Urgent care cards have now been put in the First Aid box with phone number and location in case there is need to medical attention.

Richard J. report one of the post at the entrance was pushed over by someone and needs to be straighten up so that the gate will latch open.
