Field Report – Frank reported he checked on the field recently and found some dead mice. The tractor battery is on trickle charge in Frank's garage. He said the road to the field was soft.

We stress every year not to drive on road or the flying field this time of the year when your car makes ruts. If the field is too soft to drive on, park at the pavilion and carry your plane to the field. The field has some major ruts now, so the field committee will have to do some maintenance work to smooth out the ruts.

Safety Report – None

Old business – PayPal update by Hawkeye – Richard and Hawkeye are on the US Bank account as signers. In order to have access to on-line banking Hawkeye needs to be a signer with access. He stated the branch manager requested that a letter needs to be sent to the bank with Richard, Hawkeye and Jim Benedict signatures to take care of this. This needs to be done to get PayPal set up. Details will be explained when the on-line banking and PayPal are set up and tested and put on the club's website for paying dues in the future. Fees may be eliminated when transferring money, details on how to do this will be explained later also.
