Meeting Schedule

Meeting Dates: (2022) Jul 13, Aug 10, Sep 14, Oct 12, Nov 9, Dec TBD

Meeting Time: 7:00 pm

Meeting Location: Club field, weather permitted.

June 8th

Meeting was called to order by President Richard Jenkins at our Club Field.

Roll Call –There were 9 members present. Doug Sanders reported 39 members currently on the Roster for 2022.

Treasurer's Report – Emanuel (Hawkeye) Morris gave the treasurer's report. Deposit for this month were membership dues for 1 new member. Disbursements were field lease for the year of 2022, Don Bollinger for food for the fly-in Saturday and to Frank Eck for field expense. Hawkeye has a letter from EMC insurance company for insurance owed up to the date we cancelled. He also received notice from the State on Missouri for registration fees for the current year. The correct EIN number will be given to the bank for the Pay Pal system. Some discussion on dropping the Pay Pal system because of all the problems in setting it up. Pay Pal details still on-going so the club will have it available for those who want to use it in the future. Club dues can still be paid by check like we currently do.

Secretary's Report – Approved.

Field Report – Frank Eck gave the field report and said clover was getting thicker. Richard J. said the farmer went over part of our flying field when spraying for beans, but didn't see any ruts from the equipment. Field seems to be still rough in places even after rolling. Not much can be done to make it smoother without complete discing and leveling. Some discussion on mowing around the bins. This started years ago as PR to the land owner. Sounds like we will continue this, maybe not as often to reduce possible damage to the mower.

Safety Report – None

Old business – Richard Jenkins is retired from Boeing.

New Business – Air Show this week-end. Spirit of St. Louis Airport. ---

Big Bird fly-in Rantoul ILL. June 18th (Don't know any details)

Evansville, Ind. June 18th Warbird Fly-in

Phantom Flyers Swap Meet June 18th

Frank Eck talked to Russ Bryant from the Eureka fly-in Saturday about their weather station which gives weather info on his cell phone. Equipment was from Davis Instruments; cost could be as much as \$500 to \$1000. Richard J. said our club looked into this about 4 years ago, voted down due to expense.
