**Jan 11 Meeting**

Meeting was called to order via Zoom by President Richard Jenkins

**Roll Call** –There were 8 members present via Zoom. Doug Sanders reported 18 members have sent in their application and dues for the new year. Doug provided a supply of applications forms at the Mark Twain Hobby Shop. President Richard Jenkins sent the revised PDF “fillable application” form Jan 5<sup>th</sup> to club members. The club website also has the revised “fillable application” PDF form available now. A question was brought up about completing applications each year. Applications should be completed and sent in to the Vice President each year with the club dues in case of changes that Doug would enter into his database.

**Treasurer's Report** – Emanuel (Hawkeye) Morris gave the treasurer's report:

Deposits for the month were membership dues for 1 new member. Disbursements were expense for the Christmas Party door prizes and attendance prizes, and payment for Zoom meetings. Application forms

and club dues should be mailed to Doug Sanders as in the past. (Club application can be emailed to Doug) The Pay Pal system will not be used.

Hawkeye asked if he should purchase the gift cards. It was decided to go ahead and get the gift cards in case we would have a meeting on site somewhere.

**Secretary's Report** – Approved.

**Field Report** – Lou Voss reported that he had filled in the hole in the road over the culvert near the Porta Potty with some dirt. He said he will need to look at it in the future to see if it needs more dirt. Members need to be reminded not to drive on the field if it is soft. They should park near the Porta Potty and walk into the flying field. Richard reported that he has sent in the FRIA application to AMA then forwarded to the FAA and will not be effective until Feb 2023. (Includes location of the field with Latitude and Longitude) This allows RC flyers at our field to fly without frequency registration with the FAA.

**Safety Report**—none

**Old Business**—Christmas Party results that was published in the Dec Newsletter. Don Bollinger “Member of the Year”. Emanuel (Hawkey) Morris “Office of The Year”.

**New Business** – Richard brought up the subject of possible meeting places during the winter months. Frank had ask the hobby shop if it would be available for meetings and he was told it would not be available. Saint Charles Library have meeting rooms but we can not reserve the room for our scheduled meeting each month. If anyone has any suggestion or wants to volunteer to have meetings at their home, let Richard know.
