Meeting was called to order by President Richard Jenkins at the club flying field.

Roll Call –There were 8 members present. Doug Sanders reported 37 members on the current roster. Four additional members joined since the April 8th Contact List was published. Lee Jimerson, Steve Merkle, Darren Morris, and Dana Rabun.

Treasurer's Report – Emanuel (Hawkeye) Morris gave the treasurer's report:

Two checks received for club dues, plus deposit for 50/50. Disbursement was for the 2 tires for the mower, picture frames for member of the year and officer of the year, Cinco de Mayo food expense, registration fees to the State of Missouri, and to the land owner for field rental for the year.

Secretary's Report – Approved.

Field Report – Frank Eck reported he plans to mow the field toward the end of the week. Jerry (land owner) informed Frank corn has been planted. Frank asked if the club wanted him to put up the poles with flags (LARA) Lost Aircraft Recovery Aid. He will plan to do that when the corn gets higher. Frank wanted to thank Bill McMenemy for helping with the field mowing. Lou Voss was unable to continue with the mowing. Frank has a problem with a metal grease cap to put on the mower. I guess he will figure it out or ask for help.

Safety Report— New card has been placed on the First Aid box showing the Urgent Care location at Cave Springs and Mexico Road.

Old Business—Thanks to Don Bollinger for fixing all the food for the Cinco de Mayo cook-out this past Sunday. Another cook-out is planned for Memorial Day week-end (Sat. May27th). Details will be sent out as the dates get closer.

New Business – President Jenkins and Don Bollinger discussed having an open house and inviting the Phantom Flyers to our field to return the favor of them inviting our club to their field. The date would be Saturday July 15th. Richard may make up a notice to be posted at the Mark Twain Hobby Shop. Don Bollinger may have some ‘hot dog’ cook-outs in the future, he will let us know.
