Nov 17th Meeting Minutes

Roll Call – There were 7 members present for the November meeting at Wes Wallin's home. We still have 45 members on the roster.

Treasurer's Report – Emanuel (Hawkeye) Morris gave the treasurer's report. Deposits were for 3 new members that joined last month plus money for 50/50. Disbursement was to Frank Eck for fuel for the tractor.

Secretary's Report – Approved.

Field Report – Frank Eck discussed the maintenance and storage of the tractor for the winter. The decision was made to have Art's Lawn Mower Shop in Florissant to pick up the mower and do the necessary maintenance and return the mower to the field. Frank will remove the battery and store it for

the winter. Volunteers to take care of the field next year are Greg Frisz and Mike Lindsey. Other volunteers to help when and if needed are Frank Eck and Richard Jenkins. Frank reported some vandalism at the field recently, the toilet paper was scattered and puts some dents in the trash can lid.

Safety Report – A local boy scout group with consent of the land owner scheduled a model rocket launch at our flying field on Saturday Nov 18th. There were concerns by our club that pilots flying into Lambert may be able to see the rockets and alert authorities not knowing that they were toy rockets. Also concern that rockets could set off fire in dry weeds around the field. Requests in the past have been denied to shooting rockets and Ultra Lites flying at our field.

Suggestions for future requests would be to advise people to go to Buder Part to shoot off their model rockets where there is an area for model rockets.

President Jenkins proposed adding to the safety rules to ban model rockets and Ultra Lites or any man carrying aircraft at our field. To be discussed later.

Old Business –

New Business – Our Christmas Party is scheduled to Thursday Dec 7th starting at 7:15pm.
